

Shell Program to find Largest of Three Numbers

```
clear
echo "Enter first number: "
read a
echo "Enter second number: "
read b
echo "Enter third number: "
read c

if [ $a -gt $b ] && [ $a -gt $c ]
then
    echo "$a is greater"
elif [ $b -gt $a ] && [ $b -gt $c ]
then
    echo "$b is greater"
elif [ $c -gt $a ] && [ $c -gt $b ]
then
    echo "$c is greater"
fi
```
