

## Shell Script To Print Sum of All Digits

```
echo enter any number
read n

sum=0
sd=0
while [ $n -gt 0 ]
do
    sd=`expr $n % 10`
    sum=`expr $sum + $sd`
    n=`expr $n / 10`
done

    echo "sum of digit for number is $sum"
```
